

Gabe Cox, PGA Associate Golf Professional

I am currently working my way through the PGA Professional Golf Management School. I have passed my Playing Ability Test, and I am a four-time All-Conference golfer from Charleston High School. Before joining the BCC team, I spent two seasons at Champaign Country Club. My teaching philosophies are influenced by Butch Harmon, Stan Utley, and Mike Malaska. I teach Foundation, Club Path, Face to Path, Spine Angle, Pitching, Chipping and Putting. As a player and instructor, I believe all swings are different. My job as an instructor is to take your unique swing and refine it into one we can repeat consistently, hitting solid golf shots.
